**WE'RE
BACK**

This is the Greatest Show!

Ladies and gents this is the moment you've waited for... Waingroves Show is back and 2022 is going to be our biggest Show yet! Let's celebrate! And get out that bunting...

We're back! Welcome to Show Weekend 2022... and this year we want to make the Show extra special by making it a celebration. After everything that has happened over the last two and a half years, this is a perfect chance to celebrate our wonderful community and be thankful for being able to come together and have some fun.

To get in the spirit, we are asking people to pop up some bunting a couple of weeks before the show and let's make a great atmosphere throughout the village. The Show Committee volunteers will be stringing up the usual flags at the Community Centre, pub etc. over the August bank holiday weekend (Sat-Mon 27-29 August), so join in and let's kick off the festival atmosphere.

Whether it's homemade or bought, Union Flags or multicoloured, fabric or paper, why not string a bit of bunting across the front of your house, your fence or in the window and let's start that celebration!

Or you can get your bunting from Waingroves Based 'Louise's Party Deals'! (See below). For bunting she is giving 20% off by mentioning Waingroves Show.

You'll see from this booklet there is lots going off all weekend. Take a look through these pages to see what goes off in Waingroves - you'll find details of many village groups and classes.

So...Put up your bunting! Let's celebrate! And let's "Show Weekend"!

Could You Help The Show?

The Show Weekend is organised and run by volunteers. In fact it is around 20 people who do the bulk of the work; meeting once a month, organising, sourcing, co-ordinating, filling in forms, fetching and carrying. Would you like to help? If you can spare an hour a month then please get in touch and become a member of Waingroves Show.

Waingroves Show

And we have an amazing army of volunteers and supporters who give up their time over Show Weekend. We are always looking for more people to help there too, with tasks such as stewarding, setting up, clearing down or help on the BBQ. If you are able to lend a hand then please get in touch. And, of course, a big thank you to everyone who helps!

If you'd like to help the Show financially then you can join our 200 Club. It costs £10 per year that enters you into a monthly prize draw where you could win £40, £20 or £5! Contact Ann and Malcolm on 01773 745118 to join.

Or perhaps you'd like to sponsor a class. The prize money for each of the classes in the Horticultural Show is funded through Sponsorship from both individuals and businesses. If you would like to sponsor a class for only £6 and have your name or business displayed next to the class, please get in touch with us via the contact details shown.

And don't forget to have a go on our raffle! Tickets are on sale and will be available all Show Weekend. We have many prizes with an amazing first prize of £100 plus many other vouchers and prizes, many donated by local businesses. As entry to the Show is free, by having a go on the raffle you are helping contribute towards the cost of the Show.

The Show is self-funding and each group that takes part in the weekend raises funds for their own cause.

Waingroves Primary School

- The pupils in the school are articulate, well mannered and well behaved. Pupils' attitudes towards learning are positive and they concentrate on the work they are set by teachers, including when they are working independently.
- Pupils told me that behaviour is ordinarily good, but when it is not good as it could be the staff act quickly and fairly to apply school rules. As a consequence, bullying in all its forms is very rare and pupils feel safe in their school.
- Parents believe that their children make good progress. One parent commented " My children have been cared for and challenged everyday they have been at Waingroves. This is more than a school, it is a family."
- Governors are knowledgeable both about the many strengths of the school. They are rightly proud of the important role the school plays in the local community.
- Pupils told me how much they enjoy their learning as their class teachers 'make learning fun' and provide them with feedback for how they can improve their work.
- Groups of children, including the disadvantaged and those with SEND, are support well. Leaders identify pupils with SEND promptly.
- The headteacher has ensured that the school is a welcoming learning environment, where every child and pupil is respected and encouraged to learn.

Waingroves Drama Group

We are back! After nearly three years of lockdown we will be back in rehearsal in late September for our production of "The Snow Queen" – an enchanting tale of set in the mystical world of the Ice Queen and all her friends – and her enemies!!!

The show will be performed at The Community Centre in February half term in 2023.

Performances will be each evening, with a Saturday Matinee from Wednesday February 22nd to Saturday 25th February. Fun packed entertainment with the usual booing and shouting and, of course, "He's behind you" Keep your eyes peeled for the posters giving Box Office details.
